Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation has completed the review of the following amendment to the Tulare County Association of Governments' (TCAG) 2019 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
2	Local and State Transportation Systems

- This amendment modifies projects funded from the Highway Bridge Program, and the Highway Safety Improvement Program.

See enclosures.

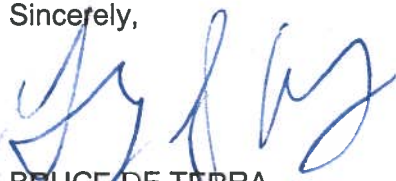

The TCAG board resolution adopting this FTIP amendment certifies that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulation Part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve TCAG's Amendment Number 2. I also recommend the Federal Highway Administration (FHWA) and the Federal Highway Administration (FTA) approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vince Mammano/ Mr. Edward Carranza, Jr.
